Texas A&M University-Corpus Christi offers athletic scholarships that recognize athletic ability. Scholarship awards are competitive, and selection is based upon athletic ability and compliance with academic standards set by the university and the National Collegiate Athletic Association (NCAA). This procedure provides guidelines for the oversight, establishment, and awarding of athletic scholarships.

1. OVERSIGHT OF ATHLETIC SCHOLARSHIPS

The Athletic Compliance Office has oversight responsibility and authority for all athletic-related awards given by the university.

1.1. The Athletic Compliance Office has three (3) roles related to athletic scholarships: developing guidelines, managing the awarding process, and monitoring.

1.2. The Athletic Compliance Office is empowered to review, evaluate, and modify all athletic scholarships that are recommended by the Athletic Department. Associated with its scholarship oversight responsibility, the Athletic Compliance Office is empowered to conduct evaluations that will assist in the formulation of guidelines regarding the awarding of scholarships.

2. ESTABLISHMENT OF ATHLETIC SCHOLARSHIPS

2.1. Monies to support scholarships are received in Institutional Advancement. Questions about setting up a scholarship should be directed to the Athletic Director in coordination with Institutional Advancement; inquiries about the administration of scholarships should be directed to the Director of Scholarships.

2.2. The responsibility for formally acknowledging all athletic scholarship contributions and for reporting a list of scholarship recipients to the donors resides with Institutional Advancement. The Scholarship Office will aid in the identification process.
2.3. Institutional Advancement is responsible for the creation and maintenance of a master file on all athletic scholarships. The file will contain all details associated with each scholarship including its agreements, monetary amount, provisions, and awarding history, and history of interactions with donors. The Athletic Department is responsible for creating and maintaining a file containing a list of scholarship awards for each academic year.

2.4. Gifts from donors can be used to fund both athletic scholarship endowments and annual athletic scholarships.

2.4.1. Scholarship Endowment – An endowment preserves the principal of a gift to the university or the Texas A&M-Corpus Christi Foundation. In the case of scholarship endowments, the gift is invested, and a portion of the earnings is used to fund the scholarship. The remaining earnings, if any, are reinvested each year to retain purchasing power. This method allows the endowment to continue to grow and thereby increases the scholarship award. Endowments offer a stable source of scholarship funds each year to the university.

2.4.2. Annual Scholarships - An annual scholarship is fully available for awarding upon receipt from the donor. None of the funds are invested for long-term existence.

2.4.3. All gifts/donations must be coordinated through and reported to Institutional Advancement.

3. ATHLETIC GRANT-IN AID AWARD PROCEDURE

3.1. The selection of athletic scholarship recipients and the awarding of scholarships shall be based upon recommendations by the coaches and confirmed by the Athletic Director or designee and the Athletic Compliance Office.

3.2. Athletic scholarships are given in accordance with the head coach’s recommendation which is based on the consideration of various factors (e.g., athletic ability, potential for development, academic record, and past accomplishments). If all requirements are met and sufficient funds are available, scholarships will be provided to student-athletes regardless of the academic year of the student-athlete (e.g., freshman, transfer, or graduate). The Office of Student Financial Assistance provides administrative support to the Athletic Compliance Office. Students who are awarded scholarships must have been admitted to the university before funds may be disbursed. Notification of scholarship awards are made by the Office of Student Financial Assistance in coordination with the Athletic Compliance Office.
3.3. The Athletic Director or designee, head coach, the Athletic Compliance Office, and Financial Aid Advisor are responsible for executing a scholarship agreement between the university and the student-athlete. A copy of this agreement must be signed by the student-athlete, Office of Student Financial Assistance, and the Athletic Director (or designee) and maintained on file by the Athletic Compliance Office. The Athletic Compliance Office assigns the account and advises the Office of Student Financial Assistance.
