Note: University rule 31.01.08.C1, Merit Pay is currently under review.

Effective immediately, the university’s non-faculty evaluation criteria stated in section 1.1.1 below has been modified by the President, in consultation with system’s Office of General Counsel, to define meritorious performance as being “Meets Expectations” or above (formerly stated as “a rating above Standard”). This revision allows the university to be consistent with other system member universities and the requirements of the new system Workday platform.
Rule Statement

Texas A&M University-Corpus Christi (TAMU-CC) may award merit salary increases to employees who demonstrate outstanding job performance. All merit salary increases will be awarded in accordance with System Regulation 31.01.08 Merit Salary Increases.

Reason for Rule

This rule defines merit pay and outlines the related eligibility requirements and award timeframe.

Procedures and Responsibilities

1. AWARD CRITERIA

1.1 Merit salary increases awarded during the annual budget preparation process must consider criteria included in the Board-approved budget guidelines and the budget instructions issued by the Chancellor. Merit salary increases may be awarded to TAMU-CC employees based upon one or more criteria such as:

1.1.1 An employee who demonstrates outstanding performance evidenced by a rating above Standard on a current performance evaluation may be recommended for a merit salary increase.

1.1.2 An employee who designs and implements mechanisms that demonstrate efficient use of state/institutional resources resulting in significant savings to TAMU-CC or the System may be recommended for a merit salary increase.

1.1.3 An employee who earns an undergraduate or graduate degree from an accredited institution of higher education or receives a certificate, license, award or other recognition of accomplishment related to his or her job may be recommended for a merit salary increase.

1.2 An employee must have been employed by the University for the six months immediately preceding the effective date of the merit salary increase. Six months
must have elapsed since the employee’s last merit salary increase.

2. **RECOMMENDATIONS**

   Merit salary increases should be initiated by the appropriate director or dean and approved by the appropriate vice president or the President. Normally, merit raises will be awarded on September 1 as a part of the budget cycle. Merit recommendations must be in compliance with merit program guidelines approved by the President.

3. **INCREASE AMOUNTS**

   Regardless of source of funds, monies allocated for merit increases are determined by (a) merit increase guidelines approved by the President and (b) the availability of funding.
