Rule Statement

Texas A&M University-Corpus Christi strives to maintain an environment that protects the health of each person while on the TAMU-CC campus.

Reason for Rule

This rule establishes guidance for the use of tobacco products on university property.

Procedures and Responsibilities

The use of tobacco products, smoking, and/or simulated smoking material (e.g. e-cigarettes) is prohibited, except in designated areas, in and on all university properties, residence facilities, university vehicles, and athletic events.
