Service Awards

Procedure Summary

Service award programs within Texas A&M University-Corpus Christi (TAMU-CC) are an important part of the university’s ability to recognize service. These programs must comply with federal and state law and be administered without regard to race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, gender identity, or any other classification protected by federal, state, or local law. This procedure provides TAMU-CC with guidelines for establishing service award programs for staff and faculty.

Procedure

1. GENERAL

An employee service award program has been established for service years completed at TAMU-CC. The university presents awards to employees for service on an annual basis for the achievement of 5 years of service and thereafter for each 5-year increment. Service considered for this program includes time appointed in regular, budgeted, benefit-eligible positions.

2. FUNDING OF AWARDS

2.1. Texas Government Code, Section 2113.201 limits the cost of awards purchased with state appropriated funds to $100 per employee.

2.2. TAMU-CC’s yearly service awards are in the form of lapel pins, charms, tie tacks, or similar items and comply with the Texas Government Code.
